Wear It Proper

Author's Notes:
See this photo.

Jerry stood in front of a full-length mirror. He wore a red tartan kilt, a pair of knee-high socks and his lace-up black boots. On top, he had on a black t-shirt under a leather jacket and on his head, his Billy Jack hat. It was an outfit only he could put together. Or a blind man. He snapped a photo and texted it to Stone.

The message he got in return made him grin. "You look like The Outlaw Josey Wales fucked William Wallace."

"I'm wearing it proper," he texted and sent another photo.

"Of course you are."
